

Survival Reminders for 7th Graders

By Mrs. Stogner

- **LUNCH NUMBERS:** Students need to memorize lunch numbers! They are used daily.
- **IDS:** Students must wear ID to school *EVERY DAY*.
 - Please do not allow your child to mark on, chew, destroy, or any way damage ID.
 - IDs are worn around the neck with picture displayed.
 - Students will not be able to enter class without an ID.
- **CELL PHONES:** Cell phones are to be turned off before entering the building. Students are allowed to keep the phones on them but turned off during the day. No earbuds are allowed to be on in the hallway or when not instructed to use them.
- **LAPTOPS:** Students who have devices taken home must bring them to school daily. All other students will be loaned devices in each class to use, but we will not have enough to cover the students with take home devices. Please take care of your devices and alert a teacher or administrator of issues you may have.
- **DRESS CODE:** Follow district policy! No bandanas or bedroom shoes. When in doubt, don't wear it! Do not bring blankets, stuffed animals, etc. to school.
- **REMIN 101:** is a service that I will use to send periodic updates on assignments and school events. Students and parents should both use this to stay informed! ☺
