

Policy JICDA CODE OF CONDUCT

Issued 8/08

Purpose: To establish the basic structure for a code of conduct and discipline for students.

The district's code of conduct and discipline is established to achieve and maintain order in the schools. In administrative rule JICDA-R, the board and the administration offer a list of offenses along with the required or recommended dispositions for the information of students, parents/legal guardians and school personnel.

The administrative rule is effective during the following times and in the following places.

- on the school grounds at any other time when the school is being used by a school group
- off the school grounds at a school activity, function or event
